PRHS GOES TO 3-0

Peachtree Ridge Lions raised their record to 3-0 in GSHL play with an 8-4 victory over an undermanned but game Alpharetta squad in Duluth on Sunday night. The line of Stephen Musso, Mitch Nylen and Shawn Rothlis led the way with 15 points. Musso had 4 goals; Rothlis had 5 assists as the Lions never trailed and took advantage of the huge bench disparity to remain undefeated.

Besides Musso's 4 goals, Nylen added 2 more and Rothlis and Nick Cittadino also scored in a game that saw many of the younger players get additional ice time and help them get acclimated to the high school game. Wesley Edenfield kept Alpharetta off the board until the outcome had been decided.

Next up for the Lions is Chattahoochee, Sunday night 10/27/2008 at the Duluth IceForum. Chattahoochee is currently 0-1-1 in league play.

The Lions Den: Musso, Nylen and Rothlis currently rank 1, 2 and 4 in league scoring after 3 games with Musso leading the league with 9 goals while Rothlis and Nylen are tied for the lead in assists with 7. GSHL commemorative patches were unveiled recognizing the 10 year anniversary of High School hockey in Georgia and will be displayed on all GSHL jerseys during the 2008-09 season. The "Ice Ice Babies" made their debut at the Alpharetta game and lent great support to the boys with their tremendous energy and enthusiasm.
